NIAFPD ANNUAL CONFERENCE

An annual educational conference for trustees, commissioners, chief officers, and administrative staff is held annually in February. During the conference members gather to exchange ideas and information as pertaining to fire protection districts. In addition, informative programs are presented that are designed to help all fire districts, whether they are volunteer, paid or part paid. Topics have included: tax levy and budgets, legal updates, the legal process, labor contracts, promotional process and an open forum where members can share ideas with their peers.

As a NIAFPD associate member you are invited to be conference sponsors. Conference sponsors help keep the cost affordable for fire districts to attend the conference. Conference sponsors have an opportunity to promote their products and services at the Sponsors' Reception on Friday from 4 – 7 P.M.
